

Connecting Families with Social Networking Tools

Children off to college?
Kids all grown up, moved away, and having kids of their own?
Keep in touch by sending e-mail but still want to see their faces?

Join us on Friday, June 11, 2010 from 9:00 a.m.-12:00 p.m. and learn how to stay connected with your children, grandchildren, and other family members using the latest technology! Course will take place in the Academic Commons, Room 107 at Penn State Wilkes-Barre, Old Route 115, Lehman, PA 18627.

Donna Yale from The Pennsylvania Technical Assistance Program (PENNTAP) will show you what social networking is, who uses it, how it works and applications accessible by it. Learn how to use social networking and other communication sites such as Facebook and Skype, in addition to tools like blogging, so you can keep in touch with your loved ones, whether they're just across town or across the country.
