## REPORT OF GIFTS

2014-2015

Dear Donor:

We are in an interesting time in our efforts to continue the development of Penn State Wilkes-Barre – we are between fundraising campaigns.

The “For the Future” campaign was very successful, allowing our campus to enhance student scholarships at every level as well as enhance our services to the students with the Struthers Family Career Services Center. For that success you, and the campus can be very proud.

This in-between period is a time where the development community takes a breath. Yet, it is important not to lag and to continue our push to make Penn State Wilkes-Barre the best it can be. It is a time where we seek to make our students stand out in the minds of prospective employers. Likewise, we want to make our campus stand out in the minds of prospective students, the views of their parents, and within our entire community.

Tony Shipula, Director of Campus Development and Alumni Relations, the development office staff, and I want you to know that we appreciate everyone who continues to support our campus and its students. Every drop of your donated time and treasure is an investment in enhancing the future of our students. You are truly helping transform the way our students view their opportunities in the world.

Please review this donor web site for all the giving during the past year and know that you have earned my sincerest appreciation for your gift.

Sincerely,

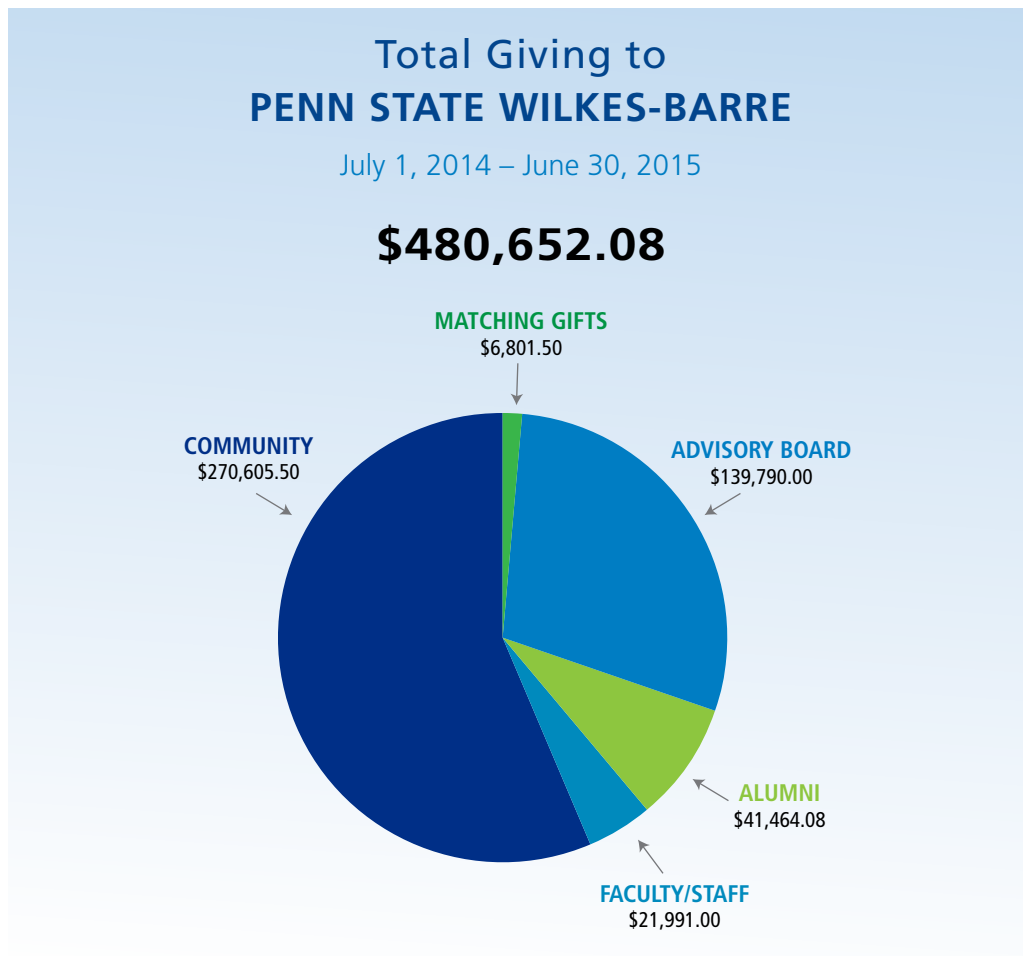

Charles H. Davis  
*Chancellor*

## LEADERSHIP GIFT CLUBS

The following Leadership Gift clubs recognize those donors who provide generous financial assistance to the campus. Membership in Penn State Wilkes-Barre’s Leadership Gift clubs is open to alumni and friends of the campus on an annual basis, renewable each year. Club membership is based on an individual’s or organization’s total giving to Penn State Wilkes-Barre in any given fiscal year. The fiscal year recognized in this report is from July 1, 2014 to June 30, 2015.

## THE HAYFIELD SOCIETY

The Hayfield Society, an informal association of individuals and businesses who make annual contributions of \$1,000 or more, offers special recognition to alumni and friends of Penn State Wilkes-Barre. This special group has taken the lead in providing substantial support for student scholarships and aid, faculty and staff enrichment, academic programs, equipment and other critical needs of the Wilkes-Barre Campus.

## LIFE MEMBERS

Life membership in the Hayfield Society is awarded in recognition of the major gifts made by benefactors whose vision matches the mission of the University.
