

Enhance your teaching skills this summer

2010 Summer Workshops for Educators

These one-day, noncredit courses—which are Act 48–approved—offer innovative ideas for teaching and learning, as well as helping to foster a supportive, positive classroom environment for your students.

Penn State is an Act 48 approved provider. Professional educators are encouraged to confirm that this program fits their school district's professional development plan for Act 48. Earn 18 hours toward fulfilling Act 48 requirements by attending **all three** workshops.

Dealing with the Bullying Epidemic (CN ED 5041B)

This program will review the many aspects of bullying with an emphasis on issues related to the recent increase in cyber bullying. Participants will learn different approaches to intervention, methods they can employ to implement a bully prevention program and reduce antisocial behaviors, and examine the perspectives of bullies and victims. Act 48 approved for 8 hours.

Keys for Effective Communication in the Classroom (CI 5004B)

The purpose of this workshop is to provide participants with a collection of techniques to foster effective communications when working with a diverse student population. Information will be presented on pragmatics (when and how you say things, and why you choose certain linguistic options over others), cultural diversity, eubonics (African American vernacular english), and slang. Emphasis will be placed upon conflict management and resolution through understanding the connection between language, power, and gender. This workshop is ideal for teachers, administrators, guidance counselors, school psychologists, and any person who works within the educational system. Act 48 approved for 5 hours.

Classroom Interventions for Students with Emotional / Behavioral Issues (CN ED 5052A)

This workshop will provide participants with information that will enable them to understand and implement classroom interventions for students with specific psychological, social, and medical issues. Strategies related to depression, attention deficit disorder, oppositional defiant disorder, suicide, bullying, death/grieving, and many more topics will be covered. Participants will receive handouts with practical suggestions to foster a supportive and positive school environment. Act 48 approved for 5 hours.

**All courses offered via Polycom at
Penn State Wilkes-Barre – Science Center, Room 002**

- ☐ Charge my: () MasterCard () Visa in the amount of: _____

Cardholder's Name (please print)		Cardholder's Signature	Card Number	Expiration Date
☐ Bill my sponsoring organization to the attention of:				
Name	Title	Organization	Address	

(A letter of authorization must accompany this request)

*The social security number (SSN) you provide for enrollment purposes, or when requesting specific services, will be used by the University to verify your identity for official record keeping and reporting. If you choose not to supply your SSN, certain services, such as transcripts, enrollment verification, tax reporting, financial aid and other services may not be available to you, and Penn State cannot guarantee a complete academic record for you. Your SSN will be stored in a central system and only used for official reporting and recordkeeping. It will not be used as a primary source to identify you within the Penn State system; the PSU ID will be used as the primary identifier.
